NASDAQ STOCKHOLM WELCOMES CHRISTIAN BERNER TECH TRADE TO FIRST NORTH

Stockholm, October 20, 2014 — Nasdaq (Nasdaq: NDAQ) announces that the trading in Christian Berner Tech Trade AB (shortname: CBTT B) shares commenced today on First North at Nasdaq Stockholm. Christian Berner Tech Trade belongs to the Industrials sector and is the 35th company to be admitted to trading on First North's Nordic markets (Stockholm, Helsinki, Copenhagen and Iceland) in 2014.

Christian Berner Tech Trade delivers advanced technical equipment, components and materials from leading international manufacturers. The company operates in a variety of fields and industries, such as processing, construction and engineering industries. The customer-base is primarily within industrial and municipal operations. For more information, visit www.christianberner.com.

"We are very pleased with the investor interest and share distribution in conjunction with our First North listing, and we welcome all new shareholders," said Bo Söderqvist, CEO at Christian Berner Tech Trade. "We now have a strong platform on which to grow the business and take the next important step in our expansion."

Joachim Berner, Chairman of the Board, represented the company during the bell ceremony at Nasdaq Stockholm.

"Nasdaq welcomes Christian Berner Tech Trade to First North and to our family of listed companies," said Adam Kostyal, Senior Vice President and head of European listings at Nasdaq. "Christian Berner will make an interesting addition to our world-leading industrials sector, and we look forward to supporting the company in its endeavour as a publically traded company."

Christian Berner Tech Trade has appointed Remium Nordic AB as Certified Adviser.

About First North

First North is regulated as a multilateral trading facility, operated by the different exchanges within Nasdaq Nordic. It does not have the legal status as an EU-regulated market. Companies at First North are subject to the rules of First North and not the legal requirements for admission to trading on a regulated market. The risk in such an investment may be higher than on the main market.
